Dear Friends,

In a year that has been far from predictable, we appreciate your continued partnership. This year has held its fair share of joys and sorrows. We know that God is using both.

This spring we were delighted to partner with Pastor Weldon Dixon and his Ohio church on their mission trip to Eswatini (formerly known as Swaziland) where he equipped 20 pastors with the LMW app. When the pandemic hit, we partnered with TechGoesHome and the Enterprise Center of Chattanooga to create a webinar to help equip local pastors with the tools they needed to stream church services live on Facebook and receive donations online.

Over the summer we were able to cut costs by consolidating our Central Ave offices. This fall we sent copies of the everyWORD gospels of John and Luke for Chaplain Enrique Castro to use in the Avenal State Prison in California.

This winter we were able to fund the printing of 3,000 LMW books for our partner, Timothy Olonade of Jos, Nigeria to use in training seminars. We were also able to fund the printing of 500 copies of the book of Acts that will be distributed at a training seminar in Romania this coming spring. Translations into Romanian continue; the gospel of Mark has just been completed and Matthew, Luke, and John are in progress as we speak.

With your help, gospel resources are being distributed to those who need them. From prisons in California to underground churches in China and missionary works in Pakistan, disciples are being encouraged all over the world. It is your partnership in prayer and giving that makes this work possible and is leaving a legacy of biblically informed pastors and Christians.

On behalf of LMW and all the lives impacted we want to say, thank you!

“ It is a pleasure to share my testimonial with you. My name is Evangelist Arlene M. Dameron. I live in Hinesville, Georgia. I am a member of First Calvary Missionary Baptist Church. My Pastor is Rev. Dr. Sinclair L. Thorne. When I accepted the call to the ministry and received my license, the first thing Pastor Thorne said was, “All you need to preach is right there, pointing to his bookshelf full of The Preacher’s Outline & Sermon Bible.” He went on to say, “Don’t lend them out!”

I began my journey of purchasing one book at a time watching my library grow and keeping Pastor Thorne’s advice in the back of my mind. The Preacher’s Outline & Sermon Bible opens up the word of God with reference scriptures and it goes into great detail. I am learning so much as I study for sermon preparations and lessons for our Recovery Ministry.

I grew up being taught the word of God using the King James Version. That is a little difficult to comprehend with reading the Bible alone. I would like to say thank you to everyone at LMW for their hard work, dedication, and faithfulness in researching and the many hours of studying in making these books available to Pastors, Ministers, and Lay Leaders all over the world that benefit from using these reference books.

I am equally grateful for the new Bible everyWord that goes a step further in breaking down the scriptures. I have already purchased John and Mark. It is simple and even easier to understand. I have stepped out of the box by studying the English Standard Version. I am sharing updates that LMW is making with Pastor Thorne and my friends. Thank you for being a blessing in my life.

The Bible teaches us in 2 Timothy 2:15, Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth. ”
