From the Desk of the President/CEO,

We have the distinct honor and privilege of equipping pastors, teachers, and leaders worldwide for Kingdom impact, and in 2021, we experienced growth and success in ministry. These leaders, equipped with the Preacher's Outline and Sermon Bible® (POSB) and Outline Bible Resources, equip churches worldwide for ministry work. Time and time again, we are in awe of God's sovereignty in bringing together ministry partners and ministry opportunities to share the Word of God. Thank you for your partnership in ministry.

Our 2022 vision is three-fold: build, create, and sustain. We want to build capacity for increased effort in marketing and donor development; create opportunities for increased translations, distributions, and training; sustain operations by increasing partnerships, publishing updates to the POSB, and conducting market research. We need your continued support, prayers, and partnership as we write the next chapter of Leadership Ministries Worldwide!

Pastor Spotlight

George Crimmins, a bi-vocational pastor, runs a Bible Institute north of Athens, Georgia. He has purchased nearly every product LMW ever produced and was among the first users of the LMW App. “I’ve been buying since I was in the Army [when] I ran across a sample. When I opened it the first time, it blew me away.”

When Crimmins began dreaming about a Bible institute, he knew his students would be using LMW materials, primarily the POSB. When asked why he wants to share LMW resources with others he replied, “[The POSB] breaks down the meaning to be so easy to understand.” George recognizes the beauty of a resource that can be used both “in my personal life and in the ministry.”

George uses LMW resources both now and during many stages of his life. Over a span of twenty years: while in the Army, working at a high school, starting a Bible institute, and ministering at a church, George has found the resources from LMW helpful in bringing him closer to God. He says, “I use it daily. I just love it.”

Strategic Partnerships

Bivocational & Small Church Leadership Network (BSCLN)

In addition to partnering with the BSCLN by equipping bivocational and other smaller-attendance church pastors with subscriptions to the LMW App, “What the Bible Says to the Minister - The Minister’s Personal Handbook” will be featured in the curriculum for BSCLN’s “Small Church Academy.

The BSCLN works with men who are full time pastors with at least one other vocation and source of income.

Fellowship of Christian Peace Officers (FCPO)

We partnered with the FCPO and offer our support by providing handbooks in contribution to their mission to equip and support peace officers across the nation.

The FCPO seeks to support Christian law enforcement officers in America in effort to maintain and flourish in their spiritual health.
